In addition:

Fulton students will need to purchase a set of headphones for this school year. Each student needs to have their own set that will be stored in a plastic bag with the child’s name on it. You may buy your own set or purchase them from school for \$5.00. If you are purchasing them from school, you may send cash or a check to Fulton School when school starts in August.

A headphone purchased from school will come in a moisture resistant storage bag that has a labeling area for the student’s name. The Califone Model CA-2 headphone has a flexible, adjustable headband that fits all student sizes.

At the end of the school year, headphones will be sent home with each student. If your student comes back to Fulton the following year, he/she can bring the headphones back or purchase a new set.
