Fulton students will need to purchase a set of headphones for computer and ipad use. Each student needs to have their own set that will be stored in a plastic bag with the child's name on it. You may buy your own set (must be ipad compatible) and send it in a ziplock bag, or we recommend purchasing a set from school for \$5.00. If you are purchasing them from school, you may send **cash or a check made out to Fulton School when school starts in August**. The headphones will be sent home in June and can be reused the following school year.

The above supplies are requested in August. May we suggest that you "take advantage" of the Back to School sales, and stock up! School supplies are far cheaper in the fall than at any other time of the year, and as these supplies run out, they will need to be replaced. Please do not send **rolling backpacks**, they do not fit in our cubbies.

***Starred items must be labeled with student's first & last name.**

Thank you
